INTERIOR & UPHOLSTERY TRAINING

WILLIAM "WILL" FABER

Will Faber joins Kirk Pattee, Dr Vinyl of Kansas City MO, as an Interior Repair Technician and Mobile Upholstery Repair Technician. Will is the son of Interior and Upholstery associate **Bill Faber**. Before joining Dr. Vinyl, Will worked as a hospital rehab technician and as an electrical wheelchair repair technician. Also he helped his father Bill at several interior and upholstery jobs for Dr. Vinyl. Will sees Dr. Vinyl as an opportunity to solve problems in creative ways while making a good living. He is looking forward to his efforts equaling his earnings. In his free time Will enjoys playing musical instruments & reading books. He shares his passion for music with his fiancée Megan.

Congratulations Will. We're glad to have you!
