DMD1781 Silver Glass Toner & Dr. Vinyl Surface Prep

ATTENTION ALL AUTO PAINT REPAIR TECHS

As many of you have heard, PPG will be making some changes to the toners and pearls in the future. The most current change is the **VM4381 Frosted Silver** which has been discontinued and replaced with **DMD1781 Silver Glass**.

The colors are the same, just new number and name. You can use up your VM4381 and replace it with DMD1781 when you start running low. The DMD1781 is in stock at the Dr. Vinyl/Doctors Touch parts department.

Price Increase - Dr. Vinyl Surface Prep

There has been a price increase on the **Dr. Vinyl Surface Prep**. The new cost will be **\$19.40 per gallon starting June 1, 2024**.

Let me know if you have any questions.
